

Cabins

First Class

Bed length 81" | **Recline** Fully flat | **Width** 36"

A private suite offering a luxury experience in the sky

First Class passengers can enjoy an exclusive First Class lounge before entering a world of quiet sophistication. A private suite on board features a spacious seat adjusting to a fully-flat bed; a BOSE® noise-cancelling headset and larger touch screen; in-flight entertainment system; luxury Bamford amenity kit and 600-thread-count duvet and pillowcases. A customisable menu offers a la carte dining inspired by Hong Kong classics and international flavours.

Business Class

Bed length 75-82" | **Recline** Fully flat | **Width** 31"

Enjoy breakfast in bed at 30,000ft

Passengers can relax and recharge in our award-winning lounge, before stepping on board to experience a tranquil cabin offering a more spacious, private seat and warm, attentive service. The seat features privacy partitions, a BOSE® noise-cancelling headset, Bamford amenity kit and 400-thread-count duvet and pillowcases. Delicious dining can be enjoyed from breakfast through to dinner with a unique and contemporary menu.

Premium Economy

Legroom 40" | **Recline** 9" | **Width** 18.5"

A total enhancement of Economy Class offering a premium touch

Premium Economy offers an even smoother journey with the added finer details. Passengers can enjoy an increased baggage allowance; priority boarding; premium amenity kit; and an in-flight service offering quality dining. The Premium Economy seat provides even more spacious with expanded leg room, a larger table, touch screen, in-flight entertainment system and additional storage.

Economy Class

Legroom 31-33" | **Recline** 6" | **Width** 18"

Our better than ever Economy experience designed to maximise comfort

The Economy Class seat is designed with a four-way adjustable headrest, comfortable cushioning and generous leg room. It features ample storage options and in-seat power supply as well as a touch screen, in-flight entertainment system. Delicious dining served in flight with dishes created by Hong Kong hospitality group, Black Sheep Restaurants served on long haul flights from Hong Kong.
